## How to Install an App Using iPhone

Step 1. Go to the App Store

Step 2. Search for the app you wish to install

Step 3. Press "Install" next to the app you wish to install. Make sure that it is the official version of the app by checking the app creator name in grey under the name of the app. If you have a credit/debit card linked to your App Store account, this will be the account charged should you install an app with a purchase fee. Most social media apps are free to download, however some games may cost approx. £1 - £3.
